

**There's never been a better time  
to start a Christian school**

Presented by **SOARING** Education Services  
*A division of Open Sky Education*

# Education is changing

- Innovative educational options
- Self-directed learning approaches
- Dissatisfaction with public schools
- Need for Christian and character education
- Expansion of school choice
- Growth in homeschooling

**Microschools are rapidly becoming a solution to these changes in education.**

# Starting a school is no easy task

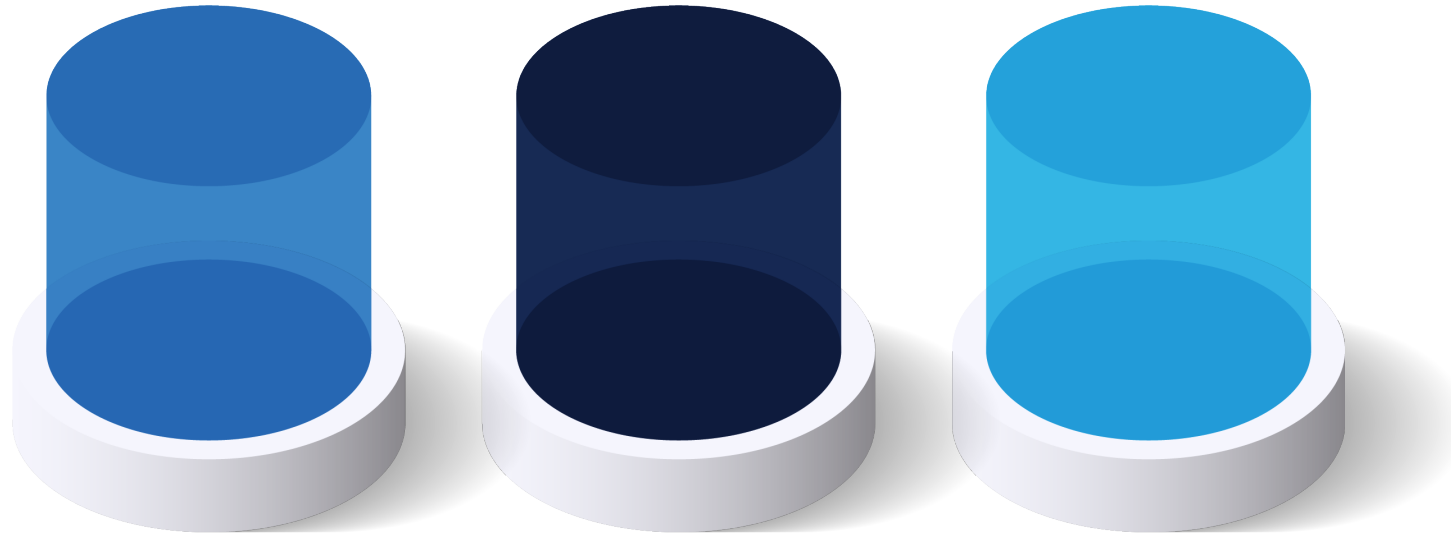

- Where do I start?
- Where do I find teachers?
- How do I choose a curriculum?
- How do I fund the school?
- Where do I find students?
- How do I select a location?

**Is starting a new school even possible?**

**We're here to put wings on  
your vision for a new school.**
